

JOHN BEL EDWARDS
GOVERNOR

LAMAR A. DAVIS, COLONEL
DEPUTY SECRETARY

State of Louisiana
Department of Public Safety and Corrections
Public Safety Services

Requirements to become licensed as a
Louisiana Official Storage Inspection Facility

Below are general requirements that MUST be met to become an Official Storage Facility:

- A. Towing and Storage facility must be open for business and properly staffed Monday thru Friday between the hours of 8:00 am to 5:00 pm. Storage Only facility must be open a minimum of 5 days and must be properly staffed during the hours of operation the facility has designated to the Department.
- B. The facility must have the minimum required insurance: Garage keepers' legal liability insurance in an amount not less than \$50,000 **AND** Garage liability insurance in an amount of not less than \$50,000.
- C. Storage facilities shall provide security and safety of vehicles stored in accordance with LAC Title 55, Chapter 19. Storage areas shall have security barriers or a safety apparatus suitable to insure the security of the property contained therein. Outside storage areas shall be enclosed by at least a 6-foot-high chain link fence, or fence of similar strength or solid wall sufficient to protect against loss, trespass or vandalism.
- D. Storage facilities shall have a clearly visible sign maintained at all times at the business office and at the entrance to any outside storage area, stating the name of the business, telephone number and hours of operation. An after hour telephone number shall be included on the sign advising the public how to make contact for the release of vehicles, contents or personal property prior to any company charging a gate fee.
- E. The facility must have billing invoices showing consecutive numbering and completion of all required information. The storage records must be kept on site at the facility and be available for inspection for three years.
- F. The facility, their employees or agents, must not have any conviction of a felony relating to auto theft, vehicle insurance fraud, burglary of a vehicle, and/or possession of stolen vehicles or vehicle parts. The applicant and their employees that operate tow trucks can't be registered as a sex offender or child predator.
- G. DEFINITION: A Storage Facility is any business or company that receives direct or indirect compensation for storing vehicles in Louisiana.

You may also go on the internet to <http://www.doa.louisiana.gov/osr/lac/55v01/55v1-17.doc> to view the complete rules and regulations regarding the Towing and Official Storage Facility program, Title 55, Chapter 19.

After your request has been processed, a Trooper will conduct a PRE-INSPECTION of your facility. If the facility meets all requirements, an application must be completed and sent to our office along with payment in order to become an Official Storage Facility.

You must meet the above minimum requirements to be eligible to apply for a storage license.

Before you can apply to be licensed as an Official Storage Facility, you will need to send a letter of request on your business letter head to this office with all the following information:

1. Name and physical address of company
2. Phone number
3. Contact person and contact number.
4. How long the company has been in business at their present location.
5. What type of business: Tow service, mechanic shop, body shop, car dealer, etc.?
6. What type of vehicles will be stored: Cars, light duty trucks, commercial, school buses, motorcycles, etc.?
7. Have you ever been issued a Storage Facility License by this department? When? Under what name?
8. **A Certificate of Liability Insurance showing *both* minimums page must be attached with your letter of request.**

Fax: **225-922-3120**

Email: LSPtowing@la.gov

Mailing address: **Towing and Recovery Unit / # A26
PO Box 66614, Baton Rouge, LA 70896**

Your request will not be processed if you are missing any of the information that has been requested.

DO NOT SEND PAYMENT WITH YOUR REQUEST
