1 Net proceeds includes an \$11,685,887 deduction for promo wagers. Net Proceeds without this deduction totaled \$2,686,922 and would have generated approximately \$400,000 in taxes.

2 Due to the allowed deduction for promo wagers in computing the net proceeds and taxes in Louisiana coming out only on the report to the state, the by Sport information may not match as some system reports do not include the promo wager deduction in their by sport system reports.
