FY 23/24 final results were updated due to revisions not updated on this report. All taxes were properly paid.

¹ Due to state law allowing losses incurred by operators to offset future net proceeds, the actual tax payments received may not calculate to the 15% tax rate.

² Due to the allowed deduction for promo wagers in computing the net proceeds and taxes in Louisiana, the by Sport information may not match as some system do not include the promo wager deduction in their reports.
